---

Hello all! I just wanted to inform you of an upcoming event I will be participating in – it's "One Day" hosted by Lynnhaven UMC! This is an opportunity for us to raise funds for two great organizations in Ukraine and Haiti. I am asking two things. First and foremost, please be in prayer for this event, specifically asking that God would bless our efforts and these ministries. Second, please prayerfully consider how you can financially invest in this event. The Lord promises that when we sow generously, we reap generously, so I have confidence that, through your support, the Lord will make a significant and tangible impact in the world so that one day no person will go hungry and no child will be left in the cold. Thank you and God Bless!

(If you wish to donate please make checks payable to Lynnhaven United Methodist Church and write "One Day" and my name in the memo line!)
